

**Widower William James Patterson (6 March 1812 - 12 Dec 1892) flanked by sons Alexander 'Sandy' Robert Patterson (20 March 1849 - ?) left and James 'Jim' Wesley Patterson (29 February 1844 – 19 May 1918) right. The apparent ages of Sandy and Jim are about 7 and 12 respectively indicating that the photograph was probably taken circa 1856, during the spring or summer after the death of his wife Sarah A.J. Dibblee in Nov 1855. The photograph may have been taken out doors at the Patterson farm by a traveling photographer. This scenario is suggested by there being grass under foot and by what appears to be a tarp hung up behind them. A bit of the yard is visible in the lower right corner of the photo that the tarp does not quite cover. The boys were growing quickly as indicated by the tight fit of their Sunday jackets. Young Alexander apparently had a bit of difficulty staying still for the required long exposure as indicated by the slight blurriness of his face. There are unfortunately no known photographs of Sarah. William Patterson emigrated to Canada aboard the Cornelius of Sunderland in 1837 and was a founding pioneer of Harvey Settlement.**

#### **First Generation**

\*\*\*\*\*

**1. William James Patterson .** Born 6 Mar 1812 in Berwick, Scotland. Died 11 Dec 1892 in Harvey. Buried in Harvey Settlement Cemetery. Occupation Farmer.

William Patterson came to New Brunswick as a single young man on the Brig Cornelius of Sunderland in 1837, with the first settlers of Harvey. He formally commenced settlement of Land Grant Lot #9 second tier (South), 98 acres, in Harvey Settlement in 1841, receiving formal title to the land in 1851 when he received his deed along with many other of the Harvey Settlers.

He was married to Sarah Ann Jane Dibblee on 28 Mar 1842 in Fredericton. By Reverend Daniel McCurdy (Presbyterian)

From Weekly Chronicle, Saint John, 8 Apr 1842: "Married Fredericton, York Co., by Rev. D. McCurdy, Wednesday, William Patterson, Harvey and Miss Sarah Ann Jane Dibblee, Fredericton parish."

PANB #F15551, p. 189: "William Patterson of the Parish of Kingsclear and Sarah Anne Jane Dibble of the Parish of Fredericton were married by Banns being of age this Thirteenth day of March one thousand eight hundred and forty two by me -- Danl McCurdy, Minister.

This marriage was solomnized between us: William Patterson, Sarah Anne Jane Dibble

In the presence of Isabella Johnston, John Johnston, William Robison."

They had the following children:

- 2 i. William George Patterson
- 3 ii. James Wesley "Jim" Patterson
- 4 iii. Margaret Isabel "Belle" Patterson
- 5 iv. Alexander Robert Patterson

According to the 1844 agricultural return by L.A. Wilmot, Commissioner for Harvey Settlement (p. xciv) in 1843 William Patterson had 10 acres in crop, 4 acres of new land prepared for crop the next year, 6 acres of meadow, 1 acre in pasture for a total of 21 acres of improved land. During the 1843 season he produced 5 tons of hay, 3 tons of straw, 330 bushels of potatoes, 16 bushels of wheat, 100 bushels of oats, and 15 bushels of barley and buckwheat. He had 2 cows and 3 calves, 1 horse, 4 swine. He had a house, barn and two other out buildings. The total value of his land and improvements was estimated at £120, although Commissioner Wilmot notes that as these estimates "is exclusive of the Buildings,... no Settler would part with his Lot at the stated value." These returns compare very favorably with the agricultural production of settlers who had taken up their farms as much as 5 years earlier. This suggests that although William Patterson only took up formal occupation of his farm in 1842 he obviously was working his eventual grant at least part time prior to moving to Harvey with his new wife. With the long commute through the woods it would have taken a lot of effort to prepare this much land. Perhaps he boarded with friends in the community for months at a time in the years between 1838 and 1842 to get his land ready for occupation. Some settlers (e.g. William Grieve - see Johnstone 1851) took advantage of higher wages earned elsewhere to hire men within Harvey Settlement to clear land for them when they were not in residence. William Patterson may also have made a similar arrangement to have had so much land cleared and in crop, not to mention a house, barn, and outbuildings, within a year of obtaining his grant.

The 1851 Census indicate that both William and Sarah Ann are "Scotch" and came to N.B. in 1837, and were farmers. In 1851 they had four children, all born in New Brunswick. Sarah

Ann was actually a New Brunswick native and descendant of United Empire Loyalists who came to the province from Connecticut in 1784.

Sarah died in 1855 of unknown causes when she was only 35 leaving William to care for their young family. She is buried in the Harvey Settlement Cemetery. Date of death was determined from an entry in a Patterson family bible (Beryl Johnston, April 1990) and from the inscription on a heavily damaged gravestone in Harvey Settler Cemetery, which reads "In memory of Sarah A.J. wife of William Patterson, died 8th Nov 1855 (rest broken off). In 1998 the pieces of the broken stone were placed in a bed of marble chips.

In the 1861 Census, William owned 70 acres improved, and 28 acres unimproved land; cash value of farm, 250 pounds, value of implements and machinery, 12 pounds. He had two horses, 3 milch cows, 2 working oxen, 5 other neat cattle, 16 sheep, 3 swine, slaughtered 700 lb. pork; produced 150 lb. butter, 40 lb. wool, 15 tons hay, 300 bu. oats, 30. bu. buckwheat, 2 bu. peas, 4 bu. timothy, 20 bu. turnips and 150 bu. potatoes.

William Patterson died at his home on 11 Dec, 1892 after being in failing health for about three years.

From Harvey Presbyterian Church records: died 26 Jul 1894, age 16 yr. 1 mo., consumption.

From newspaper item, (undated):

Miss E. Olive Patterson, who has been ill of consumption for some time past, died last Thursday morning. She was in her seventeenth year, and was a very fine girl, and much sorrow is felt at her early death. A large number of the Royal Templars of Temperance, of which order deceased was a member, attended the funeral and walked in procession with badges on. The burial service of the order was read at the grave. The following address of sympathy was sent to the bereaved parents by Harvey Council, No. 54, R. T. of T.:

Mr and Mrs Wm. Patterson:

Dear Friends, -- As it has pleased the Divine Providence to remove your daughter from our midst, we, on behalf of Harvey Council, No. 54, R. T. of T., desire to convey to you our most sincere sympathy. The loss which you have sustained is a very great one, and we trust that the hand which doeth all things well will help and comfort you in your time of trouble.

Your daughter was a valued member of the order of Royal Templars, and was much esteemed by all, and it is with sorrow that we see her taken away; but as we mourn we must remember that the One who allowed the flower to be nipped so early has wise purposes that we know not of, and what seems to us to be a loss, is, no doubt, a great gain to our departed sister. (Signed) J. W. Taylor, W. G. Chamberlain, Charlotte Ross.

**12. Jane Moody "Janie" Patterson.** Daughter of James Wesley "Jim" Patterson & Mary Swan. Born 10 Aug 1871 in Hanwell, NB. Died 10 Nov 1912 in McAdam, NB.

Witnesses to marriage were F. Gregory and Celia McAlpine.

Thomas Burrell and his wife Jane Moody Patterson lived on a farm on the Swan Road, Harvey, near location where Ben Swan lived. The family is said to have moved to McAdam in 1901, though a number of family events took place in Harvey through the middle of 1906. There is also some evidence that their daughter Grace became a US citizen (at age 3) in 1907, though who would have been caring for her at that time is not clear; she was listed, age 15, in the 1920 census of Portland, Maine, living at the residence of Walter Wilbert McFarland, whose wife Lettie was Grace's oldest sister.

Thomas's first wife Jane died 10 Nov 1912, seven days after the birth of their last baby. Five babies died at birth, born and died on the following dates: 10 Oct 1901, Harvey; 5 May 1906,
